

SROC Night Street League
Event 6: Bolton North – presented by SELOC
Wednesday 10th January 2018

Venue: The Brew House, 987 Blackburn Road, Eagley, Bolton, BL1 7LG. Grid Ref: SD 714 130

Parking: Limited parking on pub car park to rear. Once full, please park considerately and safely on the main road outside the pub.

Starts and fees: Usual score format 60 or 75 minutes.

Registration: **from 5:45pm**

Start times: **6:00-7:30pm** (earlier than usual)

Entry Fee: £3 Seniors / £1 Juniors

Food and pub: The pub have been advised to expect an influx of orders and they are happy they can deal with people ordering as normal from the menu.

The pub is quite small and we will have limited space reserved for us, so it's possible people will need to operate a bit of a rotation system to allow everyone to sit down to eat! Please be considerate.

The pub also hosts a popular quiz on Wednesday nights, starting at 9pm, so please order food promptly when you finish your run so that we can be largely out of the way and not taking up all the tables by the time the quiz starts. Start times from 6pm to help with this. By all means stay on and take part in the quiz!

Newcomers: Particularly welcome. Street orienteering involves navigating around streets using a map (like the extract opposite) to locate controls (typically items of street furniture) worth varying points, with the idea being to score as many points as possible in a given amount of time. Just bring a headtorch, pencil, stopwatch and hi-vis top.

Full instructions, advice and guidance will be available on the night.

Organisers: Matt and Rhian Driver (m.h.driver@gmail.com)
