SELOC League 2019

Scoring notes:

- (1) Following feedback, ranking is to be by highest totals (not lowest as initially suggested)
- (2) Event score is your rounded-up percentage of other competitive starters beaten on the course you ran, except:
 - 10 = minimum score for completed course
 - 5 = score for incomplete course, e.g. mispunch, timeout retirement
- (3) Each participant's best 6 scores from the dated events above will count toward the rankings.
- (4) In addition, you can claim one extra score from a multi-day 'holiday' event of your choice from:

The Jan Kjellström Festival (April)	}
Springtime in Shropshire (May)	}
Scottish 6 days (July-August)	}
Race the Castles / White Rose (August).	}

} - best scores from all these have now been included in the Bonus column
